

Application for Exhibit Space

By signing the Application for Exhibit Space, exhibitor agrees to the terms and conditions stipulated on the exhibitor contract and agreement. The individual signing this application warrants that they have the authority to bind the organization for exhibit space, which becomes a contract upon acceptance by cav2018. The undersigned company (exhibitor) understands that assigned booths and branded merchandise are on a first-come, first-serve basis.

Registration For Booth (\$3,000 USD)

- Large well visible convenient exhibition site ideally located in front of the conference rooms.
- Free high-speed internet access.
- Single Booth (10' x 10') with 6' x 30" table and 2 x chairs.
- Promote your company profile and products among an international and multidisciplinary community of key scientists and industrials, including your company logo on the conference website and proceedings.
- Target new customers while consolidating the relationship with existing ones.
- Run live demonstrations of new products during the 3-day conference and get real-time feedback from users.
- Post press releases and product photos on the conference website.
- One full pass to the conference for an exhibitor representative.
- 20% discount for additional passes for exhibitor employees.

Registration For Branding

Being a gathering of essentially all the current and future experts in this field, CAV2018, a triennial event will be an excellent opportunity for vendors to introduce the latest computational solvers for complex multiphase flows as well as instrumentation, such as high-speed imaging and velocity measurement systems, acoustic sensors, manufacturing techniques, lasers, bubble and particle detectors, etc.

Don't miss this exceptional opportunity to promote your Company's brand in front of the World's experts with a vested interest in your products in **10th International Symposium on Cavitation**.
